TWO DESIGNERS, ONE SINGLE SPIRIT

Heritage monuments / Unique glass artworks and terracottas

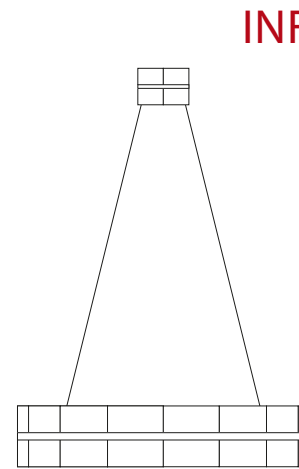

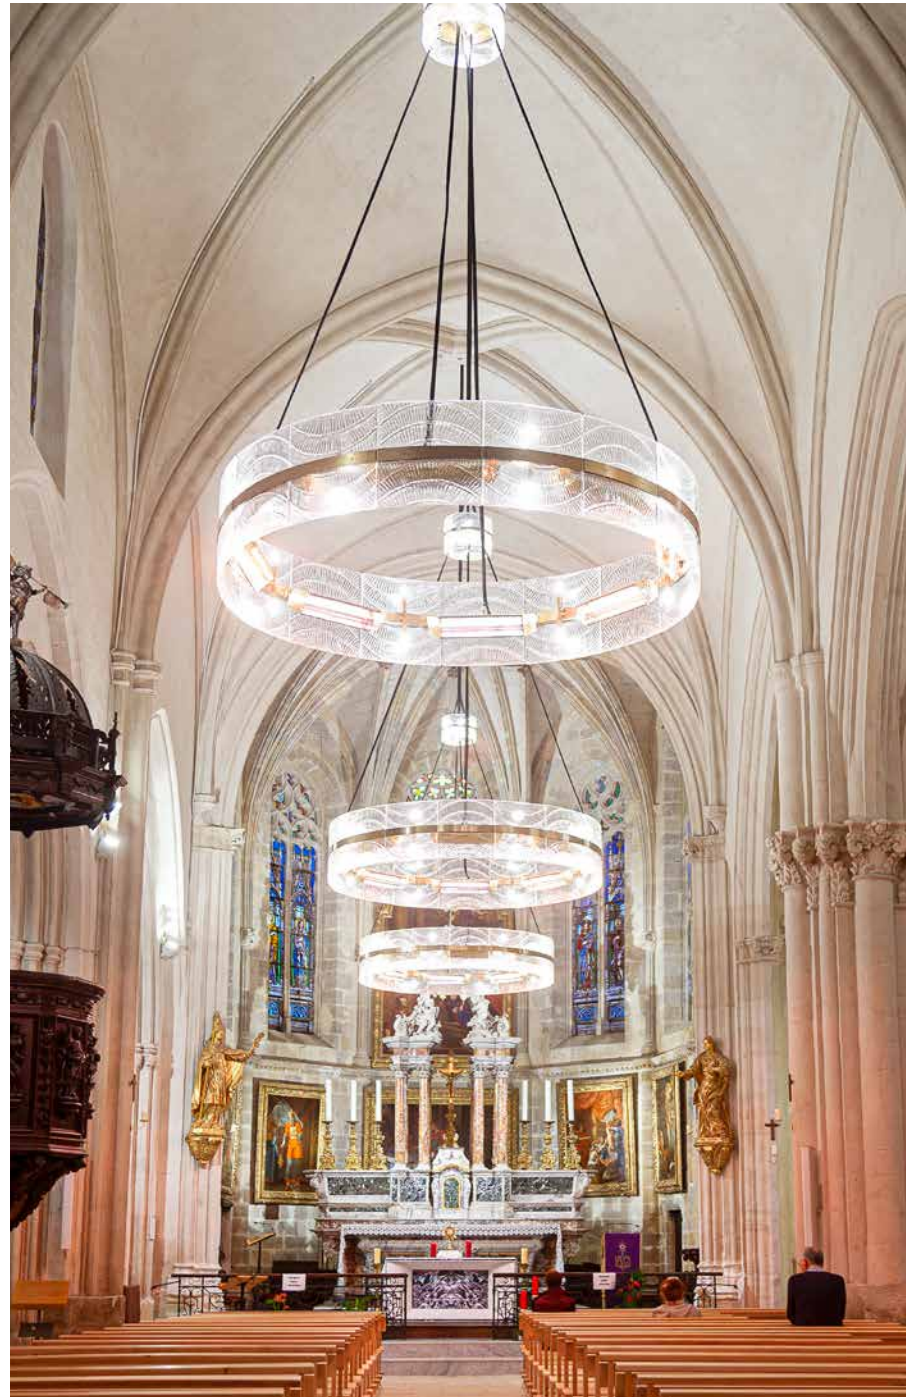

For more than twenty years we've been serving heritage monuments and design.
Elegance and style, with delicate workmanship and noble materials.

The comfort temperature is reached immediately

DESIGN & INNOVATION

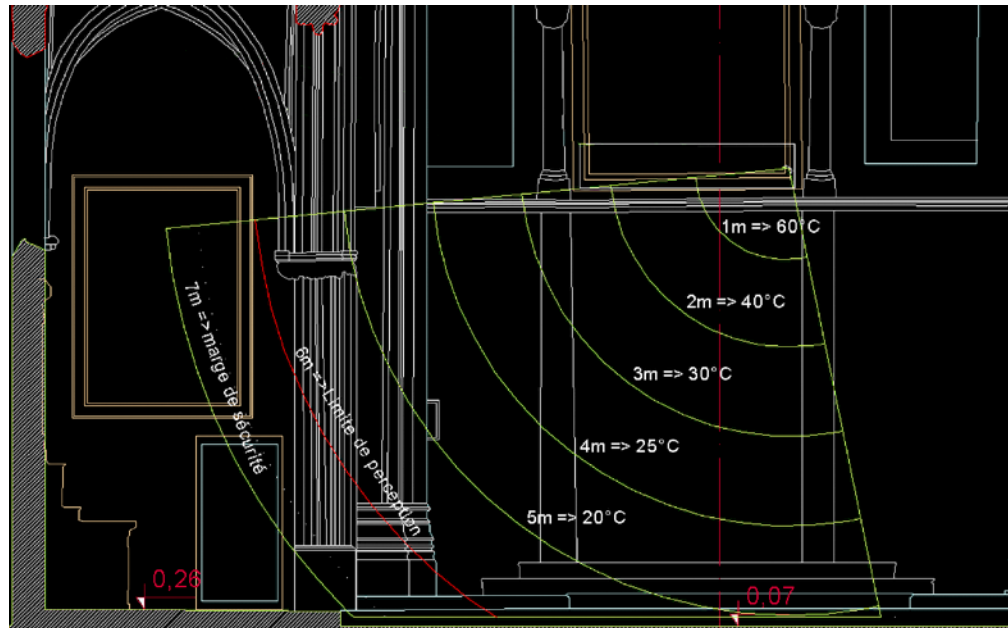

A conception tailored to each project
A design that matches the heritage value of the building

USERS' CONFORT

An instant comfort temperature
No «hot head/cold feet» effect
Silent

PRESERVATION OF ANCIENT ARTWORKS

Does not influence the humidity level
Does not cause air convection
No UV emission
Only works during celebrations

Antique furniture and artworks are not affected by the heating

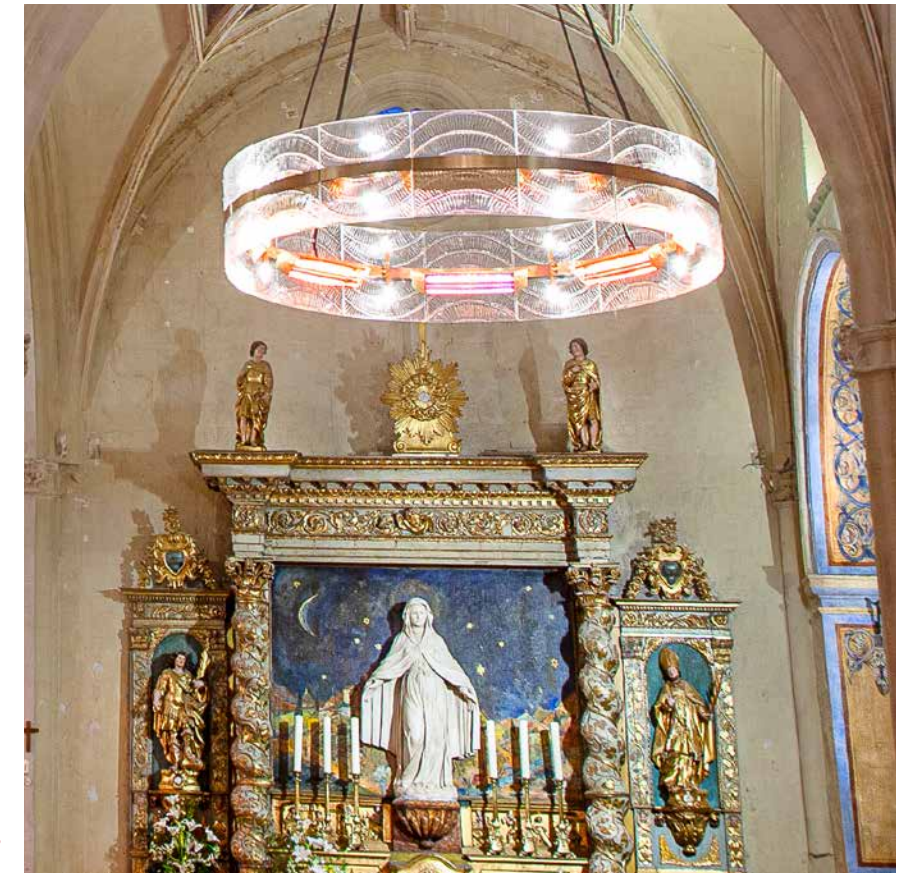

The heating elements are specially designed for each chandelier

INFRARED HEATING CHANDELIERS

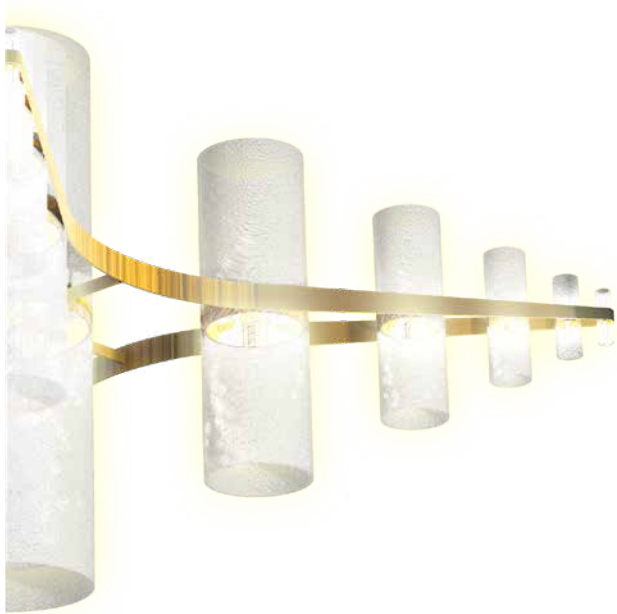

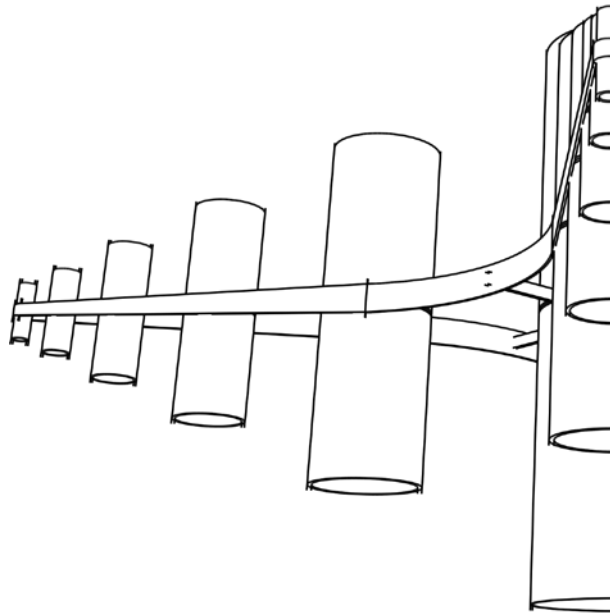

CUSTOM-MADE DESIGN

An aesthetic that matches the heritage value of the building

FROM SKETCH
TO
INSTALLATION

We accompany you
throughout your project

A UNIQUE
CRAFTSMANSHIP

The elegance of style
in the respect of the heritage
